AT THE TABLE, WE ALL BELONG

FAMILY CAMP 2026

What a summer!

God blessed us with another wonderful season filled with fellowship, laughter, great memories, and countless moments of seeing Him at work. From days spent swimming, playing soccer, volleyball, and carpet-ball to evenings gathered together to worship our Heavenly Father and enjoy fellowship with one another, there was so much to be thankful for. This summer, we were reminded of the beautiful place we have in the kingdom of heaven and at the Lord's table.

Being able to create a space for families to come together, grow, and fellowship has been such a blessing for us here at Toah Nipi. We're grateful for every one of you, along with the families, volunteers, and staff members who helped make this summer so special. More than anything, we're thankful for the relationships that were built, the faith that was strengthened, and the memories we were able to make together.

Thank you for being part of another unforgettable summer at Toah Nipi!
